4. TRACK LICENSING

The INTIMATE GUITAR SUITES Music Licensing Store allows you to purchase licenses to specific tracks for specific uses. When you select a track for purchase, you are agreeing, for each category that you select, to be bound by the exact parameters of use as outlined in the Glossary of terms. Expanding usage parameters will require a separate and individual contract which includes your desired features.

INTIMATE GUITAR SUITES may provide you the opportunity to download (through specials/

promotionals, etc. or even as a standard feature of each product) an audio file of the Track for evaluation purposes only. In this case, INTIMATE GUITAR SUITES grants you a non-transferable, non-exclusive license to store, reproduce (including making a copy onto your computer's hard drive) and use the Track solely for evaluation purposes, to test the Track (including using the Track in animatic and video sequences) or for demonstration to your clients, but only when used in a non-commercial manner (unless noted otherwise on the product page associated with the item).

Outside of the conditions described above, rates and rights must be negotiated before use. All Tracks and all rights not expressly granted in writing remain the exclusive property of INTIMATE GUITAR SUITES and its affiliated artists.

Unless permitted in the License, you may not:
